Ronald McDonald House Charities of the Carolinas works with businesses in a variety of ways to help you give back to the community. We offer a variety of ways to get involved at House and one is through our Client Appreciation Gifts Program. We know each of you are doing business in the local community, so why not thank your client for doing business with you by giving a donation in their name to the Ronald McDonald House. When a donation is given in honor of your client in the levels below, it will go to assisting with families' needs during their stay here whether that is paying for their night's stay (\$8 per night) or paying for their meals. In return we will send a personal letter of gratitude from the Ronald McDonald House notifying them of their donation made by you and your company in their honor.
