

# OVER THE TOP — Club —

**Go Over the Top with us  
as we continue to Build Hope.**

Ronald McDonald House Charities of the Carolinas is expanding and we need your help to take us "Over the Top." For years, we have not had the room at the House to assist every family that needs a place to stay near their critically ill or injured child. We initiated a capital campaign to add on an additional 12 bedrooms, ultimately doubling our size.

We need your help to raise the last million dollars. Twenty-eight years ago, the Ronald McDonald House was built by a grassroots campaign of community members and they have helped us stand strong ever since. For the final fundraising phase, we want to bring back the powerful support Greenville has provided us for so many years. Our goal is to have 2,000 donors pledge \$500 to our "Building Hope" campaign. Join 1,999 other donors in the "Over the Top Club" and help us serve more families for years to come.
