ABOUT RED SHOE SOCIETY:

The Red Shoe Society serves as a philanthropic arm of the Ronald McDonald House Charities of the Carolinas. The mission of this group is to engage, empower and inspire young professionals to participate in philanthropic and leadership endeavors and build awareness of the Ronald McDonald House Charities.

The Red Shoe Society is a group of young professionals with a collective goal to help make a difference in the lives of families with sick children. As stewards of the Ronald McDonald House Charities, Red Shoe Society members work together to raise money, donate their time, and provide needed volunteer efforts to benefit the house.

ABOUT RONALD MCDONALD HOUSE CHARITIES OF THE CAROLINAS:

Ronald McDonald House of the Carolinas' mission is to keep families close, within a home filled with hope, encouragement and comfort where parents can focus on their child receiving critical care in our hospital systems. We find and support programs that directly improve the health and wellbeing of children. Since 1989, the Chapter has provided support to more than 10,000 families through the Ronald McDonald House program. More than a room, the House serves as a quiet place for families to be alone or as a place of companionship, sharing and emotional support with other families who are also caring for a sick child being treated at nearby hospitals.
