A Few Notes:

- **This system allows you to sign up additional volunteers at the same time as yourself**
 - This function will only work if you are signing all parties up for the SAME position and shift.
 - Select the position and shift one time and then at the bottom of the page you can sign up multiple people. No need to click a position more than once. If you are signing multiple people up for different positions or shifts, refresh the page or start over for each new additional person’s shift and position.
 - You can, however, sign yourself up for multiple positions and times as long as you are the sole person signing up.
- **Overlapping Shifts**
 - If you wish to work multiple shifts back to back, please do! The system will notify you that your shifts overlap. **Simply click OK to override the notification.**
