Lights of Love

Since the start of COVID-19, nothing has made us more keenly aware of the importance of the health and safety of our family and loved ones. At RMHC of the Carolinas, this is no different because our mission was built on the foundation of families being together.

Every day, there are families traveling to Greenville area hospitals with a sick or injured child and they are going through, what could be, their family's "darkest time". We believe that when a child is sick, the entire family needs comfort and support. The Ronald McDonald House is a beacon of light for families because they are able to stay together and near the medical care they need. You have an opportunity to be a light of hope and love to families staying at Ronald McDonald House through our 'Lights of Love' campaign.

We believe in bringing communities together to support families throughout their healthcare journey and you can too by supporting Ronald McDonald House Charities of the Carolinas this holiday season.

Lights of Love Begins

Be the light of hope for families staying at RMHCC this holiday season by making a gift towards our Lights of Love campaign. Your gift will be celebrated by illuminating the outside of our House in holiday lights. The festive lights will be displayed starting November 19th through January 1st. Giving level details are on page 3.

Honor your friends, relatives, teachers, neighbors, and business associates by making a gift. An acknowledgment letter recognizing your kindness will be sent from RMHCC to the person you wish to honor.

Holiday signs will be scheduled for pick-up at RMHC of the Carolinas (on 706 Grove Road) on designated days. More details to come.
