

Ronald McDonald House

Teen Leadership Board

A Ronald McDonald House Charities of the Carolinas Initiative

Fundraising ● Volunteering ● Friendship

The Teen Leadership Board (TLB) empowers teens to develop real-world skills through fundraising, teamwork, and service.

Through hands-on experiences like monthly meetings, volunteer work, and leadership development, members grow as individuals while supporting RMHCC's mission.

At its heart, the TLB inspires a powerful movement of kids helping kids, bringing hope to families when they need it most.

Programming

Volunteering

Students participate in monthly volunteer shifts centered around providing comfort for families, including engaging with the children, hosting movie nights, cooking dinner, and more.

Professional Development

At monthly meetings, students build essential career and college readiness skills by creating resumes and cover letters, learning how to use LinkedIn, exploring various colleges and career paths, and practicing public speaking through a Shark Tank-style event.

Fundraising

Students lead our Lights of Love fundraiser, bringing holiday cheer to families staying at our House during the season while applying the professional skills they've developed throughout the year.

Scholarship Program

The Teen Leadership Board (TLB) Scholarship Program recognizes and rewards the dedication, leadership, and growth of outstanding seniors as they prepare for their futures. By supporting this scholarship, RMHCC invests in the potential of young leaders, helping them continue their journey as changemakers in their communities and beyond.
